Name: _____

Club: _____ Phone: _____

e-mail: _____ Current Qualification: _____

Provincial Referees only: I will require accommodation on: Friday night Saturday night

Name of preferred roommate: _____

Subject: Karate BC now using ePACT Network

Karate BC is proud to announce our use of ePACT, an online emergency network, to improve emergency preparedness and safety for all our athletes. ePACT helps Karate BC better connect, communicate and share critical information in case of a crisis, like an illness or injury of one of our participants, or an evacuation.

Using ePACT:

- **Each student's family will receive an email invitation to use ePACT.**
- Families create their ePACT account, entering required details, such as medical needs and emergency contacts.
- Families securely connect with Karate BC, allowing coaches/managers access to their information.
- Families can update ePACT anytime during the year, and we will automatically be alerted (e.g. add a new cell phone or new emergency contact, and we receive that update).

ePACT provides us with more accurate, up-to-date and legible information than the paper forms we've used in the past. Because it is web-based, we have the ability to securely access the system via smartphone, tablet or computer so it's always accessible. The system also maintains the same levels of security and privacy as online banks to ensure the safety of your information, while limiting access only to the coach and manager in case a participant requires support.

“By using ePACT, we will have better information for our students and better connection to their personal support networks of family and friends. I’m confident that our level of preparedness to deal with any situation will exceed expectations using this system.” – Dan Wallis

ePACT Support
